Double Quiz Sports *Plus*

Never let the fear of striking out get in your way. Whether you are a casual sports fan or a diehard sports junky, we have the game for you. Put your sports knowledge to the test and get your game face on!

Shoot the Monkey

This shooting gallery will bring out the kid in you and memories of the county fair. Take dead aim and experience the exhilaration of spinning clowns, shattered bottles, dragon tails and annoying monkeys. Some like to spank it, but we prefer to shoot it.

Street Racing

Speed is of the essence. Timing is everything. Drive this ¼ mile in your souped up dream machine. Time your gear changes and qualify for the nitro boost. If you snooze you loose.

Royal Hands

Dance jester dance. Think you are a player? Prove it. Touch adjacent cards to build poker hands. The higher the combination, the higher the point value. Make all combinations and experience the magic. Oh, it's good to be king!

Count Your Fingers

Test your reflexes in this daring game. As the knife glides over your fingers you score points by touching the screen and stabbing the spaces between your fingers. Practice on balloons and hot dogs until the real game begins!

Beach Volleyball

You thought chipmunks only liked nuts. Not in our world. Sun, surf and beach volleyball, what could be more fun? First to 7 wins. Win 2 rounds and whip him again in the bonus round.

Double Quiz Entertainment *Plus*

My momma always said life was like a box of chocolates. You never know what you're gonna get. Whether you are a music, movie or television buff, it's an offer you can't refuse. May the force be with you!

Balloonia

Welcome to the whimsical world of the mad scientist. Arrange the air tubes to form a complete connection and see your balloons fly high into the sky.

What a Mess *Plus*

This 2007 hit has a new look and feel. Your mother's worst nightmare is heightened with two new messy areas to clean up. The game play is the same, but the fun ante has been increased.

Hi-Lo

A combination of luck and skill is a prerequisite. Complete a string of cards by predicting if the next card is higher or lower. Play safe and lock in your progress or see your blood pressure rise and play like a pro.

Last Call

You thought physics was tough. A unique, strategic game where each player removes alternating caps from the bar, last move loses. Don't be a quitter, it is not brain surgery. Be a winner and let your opponent experience the last call.

Bumper Wars

Take a step into the future, where wars are settled in a galactic octagon. Select your starship and push your opponent over the edge. Last man standing wins.
