NEW

JVL's newest software release, iTouch6, gives you 80 games, sure to please even the most discriminating player.

iTouch6 includes 12 dynamic new games, featuring: Pool games, 1on1 games, a new twist to trivia and a new dimension to classic internet games!

iTouch6 has updated many games to improve the play value. With this release, a new interface has been implemented to ease player navigation. iTouch6 will benefit the Operator with increased game play and increased earnings.

Connectivity to iTouchnet, a seamless integrated network incorporated into iTouch6, is available for those who choose to use it. iTouchnet opens a whole new world of incredible on-line opportunities; downloadable content, including new games, content, images and updates; participation in on-line tournaments on multiple levels - national TouchandWin tournaments, on-line, local Net Challenge tournaments, and local In-house tournaments; and, access to complete data management systems - information crucial to operating a successful route.

We Take our Games Seriously! **JVL**
